ABOUT ME

Motivated and passionate 3rd-year Computer Science and Engineering student at Metropolitan University, equipped with solid knowledge in front-end development and programming languages. Seeking an opportunity to contribute technical skills, creativity, and a strong learning attitude in a professional environment.

PROJECTS

Rishi Demos Elder Care Website Clone

- Lorem Cloned a professional website layout from Rishi Demos using only HTML and CSS to practice real-world front-end design.
- Focused on creating a pixel-perfect, fully responsive layout without using any frameworks or libraries.
- Strengthened understanding of modern layout techniques like Flexbox and Grid, and improved cross-browser design skills.
